

**London Proteomics Discussion Group presents:**  
**Proteomics: beyond the horizon**  
**An LPDG proteomics webinar**

**Dr. Benjamin Neely**

National Institute  
of Standards and Technology,  
Charleston, South Carolina, USA

**Exploring the protein landscape in  
non-model systems: insights into  
potential host-virus interactions  
and disease resistance**

**Prof. Claire E. Eyers**

University of Liverpool,  
Liverpool, UK

**The expanding landscape of  
human protein phosphorylation**

**Guest chair: Kathryn S. Lilley**

**7<sup>th</sup> August 2020, 14:00 BST**
